

Current Evidence: Setting up Email Alerts

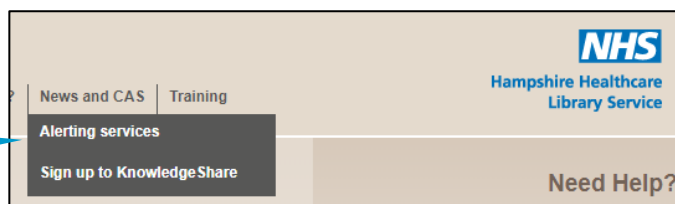

External Alerting Services

News services of organisations that we use and recommend, are in the fields of:

- Management & General Health
- Acute & Secondary Care
- Primary Care
- Mental Health & Learning Disabilities

(1) Go to the Library Website: <http://www.hantshealthcarelibrary.nhs.uk/>

(2) At the top of the screen, click 'News and CAS', then 'Alerting Services'.

(3) Scroll down to the heading 'External Alerting Services', and it.

Click a title to go straight to its news / current awareness page.

Management & General Health

[NICE \(National Institute for Health and Clinical Excellence\) Newsletter & Alerts](#)

[JISC \(National Academic Mailing List Service\)](#)

[CASH \(Current Awareness Services for Health\) Health Services Management News](#)

- Each organisation / website has its own way of creating alerts.
- Frequency of updates depends on that of publication / output.
- If an article is difficult to obtain, tell us – we can find it for you!
