# QI Evidence Update June 2022

If you require a journal article, a book or a literature search please contact the Library Service via email or visit our library website at www.hantshealthcarelibrary.nhs.uk

library.basingstoke@hhft.nhs.uk - library.winchester@hhft.nhs.uk - library.services@southernhealth.nhs.uk

## 1. Quality improvement

o Influences of post-implementation factors on the sustainability, sustainment, and intra-organizational spread of complex interventions (BMC Health Services Research, May 2022)
o Beyond improvement skills: what do clinicians, managers, patients and others need to do to make improvement happen? (BMJ Quality & Safety, May 2022)
o Determining the skills needed by frontline NHS staff to deliver quality improvement: findings from six case studies (BMJ Quality & Safety, May 2022)
o An analysis of complaints about hospital care in the Republic of Ireland (International Journal for Quality in Health Care, May 2022)
o The 'Emergency Stone Clinic' – improving patient care: A collaborative, hospital-based quality improvement project (Journal of Clinical Urology, May 2022)
o A framework for understanding, designing, developing and evaluating learning health systems (Learning Health Systems, May 2022)
o Quality improvement knowledge in pediatric hematology/oncology physicians: A need for improved education (Pediatric Blood & Cancer, May 2022)
o Supporting the Pursuit of Quality Improvement Publication: What Your Organization Can Do Now (Quality Management in Health Care, May 2022)
o Embedding sustainability into quality improvement- two-part recorded webinars (Centre for Sustainable Healthcare, May & June 2022)
o PDSA Quality Improvement: A Scientific Method of Change (KaiNexus, May 2022)
o Bringing together digital and quality improvement – how boards can connect the dots and create allies in service transformation (NHS Providers, May 2022)

## 2. Integrated care

o Integrated working to address frailty needs: Bradford District and Craven Health and Care Partnership (NHS Confederation, May 2022)
o Roadmap for integrating specialised services within Integrated Care Systems (NHSEI, May 2022)
o When partnerships turn sour: Why leaders need to go back to basics and build relationships from the bottom up (NHS Providers, May 2022)
o Integrating health and social care: a national care service (Public Policy Projects, May 2022)
o The Health and Care Act: six key questions (The Kings Fund, May 2022)
o The Health and Care Act 2022: the challenges and opportunities that lie ahead (The Kings Fund, May 2022)

## 3. Patients & people

o Spontaneously generated online patient experience data - how and why is it being used in health research: an umbrella scoping review (BMC Medical Research Methodology, May 2022)
o The role of health care organizations in patient engagement: Mechanisms to support a strong relationship between patients and clinicians (Health Care Management Review, May 2022)
o Views of Care at End of Life: A Secondary Analysis of Online Feedback Using Care Opinion (Journal of Patient Experience, May 2022)
o Why health visitors matter, perspectives on a widely valued service (Parent-Infant Foundation, May 2022)

- o [Valuing lived experience – learning report: are you ready to commit to the work of co-production?](#) (National Voices, May 2022)
- o [The Emergency Department Patient Experience: In Their Own Words](#) (Patient Experience Research Brief, May 2022)
- o [Using Standardized Whiteboards to Improve Patient Engagement](#) (Patient Experience Research Brief, May 2022)

---

# 4. NHS strategy & performance

- o [Collaboration over competition? Regulatory reform and inter-organisational relations in the NHS amidst the COVID-19 pandemic: a qualitative study](#) (BMC Health Services Research, May 2022)
- o [The government's response to the House of Commons Health and Social Care Select Committee report on clearing the backlog caused by the pandemic](#) (Department of Health and Social Care, May 2022)
- o [United Kingdom: health system review 2022](#) (Health Services in Transition, May 2022)
- o [Strategies to reduce inequalities in access to planned hospital procedures](#) (Midlands Decision Support Network, May 2022)
- o [Making sense of new approaches to primary care delivery: a typology of innovations in primary care](#) (NEJM Catalyst, May 2022)
- o [Next steps for integrating primary care: Fuller stocktake report](#) (NHS England, May 2022)
- o [Providers Deliver: tackling the care backlog](#) (NHS Providers, May 2022)
- o [General practice on the brink: how did it get there?](#) (Nuffield Trust, May 2022)
- o [NHS patients are more likely to die – it is right to ask why](#) (Nuffield Trust, May 2022)
- o [Beds in the NHS](#) (Royal College of Emergency Medicine, May 2022)
- o [How does the NHS in England work and how is it changing?](#) (The Kings Fund, May 2022)
- o [Parliamentary and Health Service Ombudsman scrutiny 2020 - 21](#) (UK Parliament, May 2022)

---

# 5. Social care

- o [Key Care Provision Aspects That Affect Care Transition in the Long-Term Care Systems: Preliminary Review Findings](#) (International Journal of Environmental Research and Public Health, May 2022)
- o [Parents' views on improving relationships with their social workers](#) (Journal of Social Work, May 2022)
- o [Preparing for reform - Understanding the impact of adult social care charging reform and planning for successful implementation](#) (County Councils Network and Newton, May 2022)
- o [ICS engagement with the adult social care sector in decision-making: final report](#) (Good Governance Institute, May 2022)
- o [The Standards for Employers of Social Workers: National report summary 2021](#) (Local Government Association, May 2022)
- o [The Independent Review of Children's Social Care](#) (MacAlister, May 2022)

---

# 6. Population health & prevention

- o [Drug misuse prevention review](#) (Advisory Council on the Misuse of Drugs, May 2022)
- o [The impact of dementia on women, how women are disproportionately affected across their lives and what needs to change](#) (Alzheimer's Research UK, May 2022)
- o [No honour in abuse: harnessing the health service to end domestic abuse](#) (Centre for Social Justice, May 2022)
- o [The legacy of the pandemic on mortality](#) (Covid-19 Actuaries Response Group, May 2022)
- o [Fit for the future: the health value of wellbeing and leisure services](#) (District Councils' Network, May 2022)
- o [Must Know, is your council meeting the needs of autistic people?](#) (Local Government Association, May 2022)
- o [Healthy foundations: Integrating housing as part of the mental health pathway](#) (Mental Health Network, May 2022)
- o [How can local authorities reduce obesity? Insights from NIHR research](#) (National Institute for Health and Care Research, May 2022)
- o [Support at the end of life: the role of hospice services across the UK](#) (Nuffield Trust, May 2022)
- o [Climate and health: applying All Our Health](#) (Office for Health Improvement and Disparities, May 2022)

---

# 7. Workforce

- [BMA Covid Review 2 - The impact of the pandemic on the medical profession](#) (British Medical Association, May 2022)
- [The power of youth volunteering](#) (IVAR, May 2022)
- [Improving engagement and communications for ambulance service staff](#) (NHS Employers, May 2022)
- [Neurodiversity guidance for employers, managers, staff and students](#) (Royal College of Nursing, May 2022)
- [A burnt-out health workforce impacts patient care](#) (The Conversation, May 2022)
- [How reliant is the NHS in England on international nurse recruitment?](#) (The Health Foundation, May 2022)
- [Adding value: a strategic vision for volunteering in NHS trusts](#) (The Kings Fund, May 2022)
- [How can the NHS Staff Survey data help you to meet the core needs of your people?](#) (The Kings Fund, May 2022)

# 8. Technology & data

- [Remote after-care using smartphones: A feasibility study of monitoring children's pain with automated SMS messaging](#) (Pediatric Anesthesia, May 2022)
- [Understanding healthcare workers' confidence in AI](#) (Health Education England, May 2022)
- [Meaningful patient and public involvement in digital health innovation, implementation and evaluation: A systematic review](#) (Health Expectations, May 2022)
- [Digital delivery principles](#) (NHS Providers, May 2022)
- [Patient engagement with digital health care: lessons from the Care City test bed](#) (Nuffield Trust, May 2022)
- [Putting patients first: championing good practice in combatting digital health inequalities](#) (Patient Coalition for AI, Data and Digital Tech in Health, May 2022)
- [Tele-Untethered: Telemedicine Without Waiting Rooms](#) (Quality Management in Health Care, May 2022)
- [Global report on assistive technology](#) (World Health Organization, May 2022)

# 9. Events & Training

- [Lean Fundamentals, online course running 9 May-3 July 2022](#) – Open for applications NOW (NHSEI)
- [Deadline for IHI Forum and Scientific Symposium 2022 session proposals 24 June 2022](#)
- [Deadline for IHI Forum and Scientific Symposium poster proposals 31 October 2022](#)
- [Q Community Event - Tuesday 18 October 22](#) (Placeholder)
- [Public Participation Online Learning Programme](#) (various dates available, NHSEI)
- [School for Change Agents – Open NOW](#) (free virtual course, NHS Horizons)
- [Improvement Fundamentals](#) (free ongoing virtual courses, NHS England)
- [The Leading Integration Peer Support Programme – funded support](#) (NHS Confederation)
