- Developing catalyst films of health experiences: an analysis of a robust multi-stakeholder involvement journey (Research Involvement and Engagement, July 22)
- Building an organisational culture of continuous improvement (The Health Foundation, September 22)
- Developing learning health systems in the UK: Priorities for action (The Health Foundation, September 22)
- How to make change happen in general practice (The King's Fund, August 22)

1. Integrated care

- Adult social care provider partnerships in integrated care systems (Care Provider Alliance, August 22)
- A guide to the Health and Care Act 2022 (NHS Providers, August 22)
- Building capacity and capability for improvement in adult social care (The King's Fund, August 22)
- Interoperability is more than technology: the role of culture and leadership in joined-up care (The King's Fund, September 22)

2. Patients & people

- Understanding patient partnership in health systems: lessons from the Canadian patient partner survey (BMJ Open, August 22)
- Social media for consumer engagement: co-creating guidance for hospitals, service providers and consumers (International Journal of Qualitative Methods, September 22)
- Patient-initiated follow-up: will it free up capacity in outpatient care? (Nuffield Trust, August 22)
- How we did it: Poverty Truth Commission (New Local, September 22)
- Public perceptions of health and social care (The Health Foundation, September 22)

3. NHS strategy & performance

- Bringing hospital care home: Virtual Wards and Hospital at Home for older people (British Geriatrics Society, August 2022)
- People first: A response from health and care leaders to the urgent and emergency care system crisis (Care Quality Commission, September 22)
- Why is large scale change to health service delivery difficult?: the case of the 2019 NHS Plan (Discover Health Systems, September 22)
- Ipsos Global Health Service Monitor 2022 (Ipsos, September 22)
- NHS Green planning- how is the public sector focussing on sustainability and ESG issues, and what does this mean for private hospitals, clinics and technology providers (Lexology, August 22)
- Rising living costs, the impact on NHS, staff and patients (NHS Providers, September 22)
- How much is Covid-19 to blame for growing NHS waiting times? (Nuffield Trust, September 22)

- Patient-initiated follow-up: will it free up capacity in outpatient care? (Nuffield Trust, August 22)
- Reimagining Health: A Framing Paper (King's Fund, September 22)
- Where does the buck stop? Understanding accountabilities and structures in the national health and care system in England (The King's Fund, August 22)

4. Population health & prevention

- Barriers and opportunities: improving access to mental health support for refugees and people seeking asylum (British Red Cross, September 22)
- Rehabilitation, recovery and reducing health inequity: easing the pain (Chartered Society of Physiotherapy, September 22)
- Fuel poverty, cold homes and health inequalities in the UK (Institute of Health Equity, September 22)
- Life Changing Care: The role, gaps and solutions in providing social care to people experiencing homelessness (St Mungo's, August 2022)
- The continuing impact of COVID-19 on health and inequalities (The Health Foundation, August 22)
- Quantifying health inequalities in England (The Health Foundation, August 22)
- If integrated care cannot tackle inclusion health, we should all be worried (The King's Fund, September 22)

5. Workforce

- What can England learn from the professionalisation of care workers in other countries? (Nuffield Trust, September 22)
- Lincolnshire Partnership NHS Foundation Trust's cultural journey continues (Picker Institute, September 22)
- There is no community without people: the staffing challenges facing community health services and how we can address them (The Community Network, August 22)
- Health and care workforce in Europe: time to act (World Health Organization, September 22)

6. Technology & data

- Home-based digital health technologies for older adults to self-manage multiple chronic conditions: A data-informed analysis of user engagement from a longitudinal trial (Digital Health, September 22)
- Patient and clinician experiences of remote consultation during the SARS-CoV-2 pandemic: A service evaluation (Digital Health, August 22)
- "Staying at Home": A pivotal trial of telemedicine-based internal medicine hospitalization at a nursing home (Digital Health, September 22)
- The economic impact of digital inclusion in the UK (Good Things Foundation, August 22)
- Digital health care across the UK: where are we now? (Nuffield Trust, August 22)

8. Events & Training

- Micro QI Training: The QSIR Commitment, Enrolment and Compliance Tool - 2 November 22 (free online, Evidence 4 QI)
- Spotlight on QI @ Connect Health - 23 November 22 (free online, Evidence 4 QI)
- THIS Space 22 - 23-24 November 22 (free, The Healthcare Improvement Studies Institute)
- (free online, Evidence 4 QI)
- QI recommended training & resources (ongoing, collated by Evidence 4 QI)
